PUBLIC NOTICE

RE: INTERNET webPACER

Effective immediately, webPACER, the *Public Access to Court Electronic Records* system for the United States Bankruptcy Court for the Central District of California, will be available via the Internet, in addition to the current dial-up version.

You may access webPACER from the Electronic Services section of the Court's web site, located at www.cacb.uscourts.gov.

The cost of Internet webPACER will be \$0.07 per page. For billing purposes, a page is defined as 54 lines per page (without html formatting). Images will be billed according to the number of pages scanned; therefore, each scanned page equals one billable page. Internet billing will begin on July 1, 2001.

For those requiring PACER accounts, contact the PACER Service Center at the Internet address: <http://pacer.psc.uscourts.gov>. Registration, payment and frequently asked questions (FAQ) are available on this link. You may also contact the PACER Service Center by calling (800) 676-6856 between the hours of 8:00 a.m. and 5:00 p.m. CST (Monday through Friday).

Dial-up webPACER access will continue to be available as a backup at the current fee of \$0.60 per minute.
